Mrs. Anna Di Lellio  
IIC  
825 Third Avenue  
New York, NY 10022

Dear Anna:

I have your letter of resignation which, on behalf of the Committee, I can accept only with a feeling of great regret.

It is justified only by a most unusual combination of circumstances that, as you suggest, could impair your ability to act with full effectiveness as liaison of the Committee with the press and public.

You have been a strongly valued member of the staff, respected by all. I can tell you the Committee has full confidence in your work, and your loyalty to a full and objective inquiry.

I hope you will remain interested in our work and remain in touch,

Sincerely,

Paul A. Volcker
